

## **I am walking in the Joy of my Lord**

I am walking in the Joy of my Lord, I am walking in the Joy of my Lord,  
I am walking in the Joy, in his everlasting glory, I am walking in the Joy of my Lord.

I am thirsty and I'm hungry for his word, I am thirsty and I'm hungry for his word  
He fulfills my every need, when I'm down on humbled knee  
Yes I'm thirsty and I'm hungry for his word.

I sing praises oh to glorify his name, I sing praises oh to glorify his name  
Oh his presence in my life, is the blood he sacrificed  
I sing praises oh to glorify his name.

I am waiting on the coming of my Lord, I am waiting on the coming of my Lord  
On his promises I stand, my eternal reign with him  
I am waiting on the coming of my Lord.
